

Wilmington Health Access for Teens
 a program of Coastal Horizons Center, Inc.
School Based Wellness Center
Insurance Form
School Year 2017-18

*Health care is provided by Wilmington Health Access for Teens (WHAT),
 a program of Coastal Horizons Center, Inc.*

WHAT of Coastal Horizons and our School Based Wellness Centers offer medical services for sickness, well child checkups and sports physicals, much the same as a pediatrician or family doctor. Mental Health Counselors are also on staff for students to discuss issues that may be impacting their life such as stress, depression, bullying, etc.

WHAT of Coastal Horizons serves all students regardless of ability to pay, and makes every effort to keep fees affordable for everyone. Because WHAT of Coastal Horizons accepts Medicaid, we must, by law, charge for all patients visits. We will file these charges with your insurance company and need the below information to file your claims.

If you are uninsured, WHAT of Coastal Horizons will work with your family to establish a payment plan. You will receive a statement from us for charges not paid by your insurance, including copays, coinsurance, deductibles or non-covered services.

Does your child currently have health insurance (including Medicaid)?
