

Stay Healthy this School Year!

VISIT YOUR SCHOOL WELLNESS CENTER

Through a partnership with New Hanover County Schools, **Wilmington Health Access for Teens**— a program of Coastal Horizons, is proud to provide on-site primary medical, mental health & preventative services to students at **Ashley, Hoggard, Laney, & New Hanover High School Wellness Centers** – school-based health centers uniting education and health for success in the classroom and life.

Each Wellness Center is staffed with highly-skilled licensed providers including a nurse practitioner, a licensed clinical social worker, and a certified medical assistant.

Similar to a doctor’s office, **Wellness Centers** offer access to a full range of comprehensive health services including:

- Annual wellness exams
- Wellness physicals for sports, school and employment
- Vaccinations and immunizations
- Individual Counseling
- Treatment for acute and chronic conditions (asthma)
- Screening and referral for dental and eye exams
- Health education, outreach and prevention programs
- And so much more!

Wellness Centers are open every day school is in session. WHAT accepts Medicaid, NC Health Choice and most commercial insurance. If a patient does not qualify for Medicaid, a sliding scale fee is available. No one is ever turned away based on their ability to pay.

If your student has his or her own physician, he or she can still receive services...we will work with the physician to meet your child’s health care needs. Referrals are made to other area health care providers as appropriate for the student’s medical and mental health care needs.

Our staff looks forward to serving the school community and developing a close working relationship with your family. If you have any questions or need more information, please contact your **Wellness Center**, the main number at (910) 790-9949.

**Ashley Wellness Center (910) 452-6320 | Hoggard Wellness Center (910) 202-4600
Laney Wellness Center (910) 452-9503 | New Hanover Wellness Center (910) 763-4988**
